

Technical Data Sheet

TDS B7768 SILICONE PTFE

Revised 03.08.10

BONDLOC[™]
FORMULAS THAT WORK

Bondloc B7768 Silicone PTFE

PRODUCT DESCRIPTION

B7768 is ideal for a multi-purpose, multi-functional light grease application. A basic grease enriched with silicone and PTFE to reduce friction and improve the lubricity of the grease, producing a very high performance lubricant grease.

APPLICATIONS

Silicone PTFE has been designed for use on hinges, brushes and pivot points to ensure smooth operation and protection from moisture and other elements. Improved protection and durability are given by the silicone and PTFE resulting in a better level of performance under greater stress than standard grease.

USEFUL HINTS

- Reduces friction
- Improves protection
- High performance lubricant

INSTRUCTIONS FOR USE

Spray onto the surface from a distance of 10-20 cm. For more detailed application use the extension tube, to spray directly onto or into the desired component.

TECHNICAL FEATURES

Physical state	400ml aerosol
Appearance	Light covered foamy liquid
Odour	Mild solvent
Auto flammability	unknown for blend >200°C
Can pressure	3.5 bar

STORAGE

Storage temperature should be kept below 50°C. Storage area should be out of direct sunlight.

HEALTH & SAFETY IN USE

Pressurised container. Protect from sunlight and do not expose to temperatures exceeding 50°C. Do not pierce or burn, even after use. Do not spray on an open flame or any incandescent material. Keep away from sources of ignition.

See MSDS for full details.

PRESENTATION

Aerosol.....200ml,400ml

PRECAUTIONS: This product and the auxiliary materials normally combined with it are capable of producing adverse health effects ranging from minor skin irritation to serious systemic effects. None of these materials should be used, stored, or transported until the handling precautions and recommendations as stated in the Material Safety Data Sheets (MSDS) for this and all other products being used are understood by all persons who will work with the product.

Warranty: All products purchased from or supplied by Bondloc are subject to terms and conditions set out in the contract. Bondloc warrants only that its product will meet those specifications designated as such herein or in other publications. All other information supplied by Bondloc is considered accurate but is furnished upon the express condition the customer shall make its own assessment to determine the product's suitability for a particular purpose. Bondloc makes no other warranty, either express or implied, including those regarding such other information, the data upon which the same is based, or the results to be obtained from the use thereof; that any product shall be merchantable or fit for any particular purpose; or that the use of such other information or product will not infringe any patent.
